

PREET - INDIA'S FIRST MANUFACTURER OF
CORN COB COLLECTOR HARVESTER

PREET- CORN COB COLLECTOR HARVESTER

PREET - INDIA'S FIRST MANUFACTURER OF CORN COB COLLECTOR HARVESTER

Technical Specifications

MODEL	CORN COB COLLECTOR HARVESTER
Structure	Self Propelled Harvester
OVERALL DIMENSIONS (Operations)	
Length (mm)	7200
Width (mm)	2900
Height (mm)	3200
Working Width (mm)	2340
ENGINE	
Type	In-Line, Water Cool, Four Stroke
Power (HP)	200
Cylinder	6 Cylinder
Fuel Tank Capacity (L)	130
HARVESTING	
Number of Rows	4 Rows
Row Spacing (mm)	450-650
Harvesting Type	Non Row Harvesting & Wide Adaptability
Cutting Knives	Powder Knives
Picking Type	Roller Type
PEELING	
Number of Rollers	20
Type of Rollers	High & Low
Auger Type	Double Auger
Number of Sets of Auger	4 Set of High & Low Double Augers
CRUSHING	
Straw Crushing Stages	3
Types of Straw Crushing	Front Chopper + Middle Return Machine + Bract Crusher
Secondary Crushing	Not Required
ELEVATOR/LIFTER	
Elevator Width (mm)	700
Width of Field Return Machine(mm)	2250
Puller	Secondary Straw Puller
Cleaning Part	Double Row Straw Fan
STORAGE	
Grain Tank Capacity	2000 Kg (Approx.)
Grain Tank Height (mm)	2750 (Approx.)
Grain Tank Unloading	Hydraulic
CABIN	
Operator Cabin	Mid-mounted panoramic cabin with wide field of vision

4 Non Row Harvesting with Powder Knives for better harvesting of lodging corn without breaking soil

Three Stage Crushing of Straw
1. Front chopping, 2. middle returning to the field, 3. bract crushing

20 High & Low Rollers for Better peeling of Corn Husk with extended peeling rollers & equipped with speed-adjusting sprockets

Heavy Duty Tyres to cope with various complex terrain conditions.

Large Storage Capacity making it more convenient to store more and reducing needs to unload repeatedly.

2.75 mtr. High Hydraulic Unloading of Harvested Crop

a secondary straw puller & a double-row straw fan, which can discharge both long and short straw, keeping the grain tank clean

Mid-mounted, extra-large, panoramic cab with wide field of vision, comfortable and safe driving
